1. ROLL CALL

“The Town of Georgina recognizes and acknowledges that we are on lands originally used and occupied by the First Peoples of the Williams Treaties First Nations and other Indigenous Peoples, and on behalf of the Mayor and Council, we would like to thank them for sharing this land. We would also like to acknowledge the Chippewas of Georgina Island First Nation as our close neighbour and friend, one with which we strive to build a cooperative and respectful relationship.

We also recognize the unique relationship the Chippewas have with the lands and waters of this territory. They are the water protectors and environmental stewards of these lands and we join them in these responsibilities.”

As noted above

6. APPLICATIONS FOR CONSENT

1. CONSENT B05-22 APPLICATION MARGARET AND LAWRENCE GALLINA, LOT 17 & PART LOT 18, PLAN TOWN PLOT OF KESWICK

Agent, Mark Stone, provided a presentation explaining the application proposal. The owner wishes to sever southern half of the property, which would front on Raines St, for the construction of a single detached dwelling.

Jessica Peake, Secretary-Treasurer, read the notable comments and conditions.

Chris Burns, Committee Member, asked the agent what the new coverage of the retained lands and the subject lands would be with the proposed residence and the existing residence. Will the retained land comply with the zoning by-law coverage requirements? The agent advised that it will comply.

Following the vote, John Rogers, Committee Chair, advised the application is approved subject to the 20-day appeal period.

7. APPLICATIONS FOR MINOR VARIANCE

- 1. MINOR VARIANCE APPLICATIONS A05-22 AND A06-22 AND
CONSENT APPLICATION B03-22 - 2661180 ONTARIO INC.
- 281 HILLCREST RD**

The agent provided a presentation to explain the reason for the proposal. Previous proposal was to sever the property into three lots, however, concerns expressed by the Town prompted a change in proposal to sever the property into two lots. The retained lot would maintain the existing single detached dwelling, the new lot would be for a new two-story single detached dwelling.

For the existing lot, two variances are being requested. One, to recognize the existing rear yard set back and the other for lot coverage. Another

minor variance will be required to lot coverage for the new lot due to the municipality's request for a road widening conveyance.

Jessica Peake, Secretary-Treasurer, read the notable comments and conditions, and provided clarification on file numbers noted in the staff report DS-2022-0054. Also, one verbal comment from a member of the public requesting no new driveways be permitted on Hillcrest and a concern that his son's view to the lake would be impacted by the proposed dwelling.

Member of the public, Kevin Mitchell, expressed concerns with the need to continue to carve up new lots, new homes being built that do not fit with the existing architecture, the property already not maintained, increased traffic, issues with services (i.e. snowplowing), and it is changing the look and the feel of the neighbourhood.

Chris Burns, Committee Member, asked if all three applications are being dealt with as one or the Consent first. John Rogers, Committee Chair, advised we will deal with the Consent first.

Chris Burns, Committee Member, questioned the minor variance(s) required for the new lot and suggested we may need to defer the minor variance pending modifications. After some discussion it was decided it may be best defer and address at another time. John Rogers advised the minor variance on the severed property should be deferred and move forward on the consent and minor variances on the retained portion.

Karen Whitney, Committee Member, supported to create 3 lots for the consent.

Following the votes, John Rogers, Committee Chair, advised the consent is approved, the minor variance for the retained lot is approved and the minor variance for the new lot is deferred.
