Re: 2023 Community Organization Funding Request

**Dear Mayor and Council, Town of Georgina, via Mr. Rob Wheater:**

We are writing on behalf of **Georgina Trades Training Inc. (GTTI) – The Training Centre** to request a \$50,000 grant from the Town of Georgina for the 2023 budget year.

The Town of Georgina has been instrumental in the founding of GTTI and is our leading partner in delivering much needed training to our community. Since its inception in 2006, GTTI has provided training and support services to more than 11, 000 residents. GTTI has enabled many of our graduates to land that all important first job or to increase their earnings by graduating from a wide range of professionally delivered training.

GTTI's training is a fast track to successful employment. Over the years we have been able to cover free or low-cost training to the community in a number of fields including: Truck Driving, Welding, Plumbing, Carpentry, Arborist, HVAC, Electrical, Culinary, Hairdressing, Automotive, Cabinetry, Golf Greenskeeper, Construction, Roofing, Flooring, Drywall, Bookkeeping, Administration, Landscaping and Small Engines.

We are proud of our accomplishments to date, but we are setting even higher goals for the years ahead.

The recent pandemic triggered unforeseen challenges in all areas of our services and in our on-going Baseline Road endeavours. Despite our need to sustain adequate staffing levels and operations, some expected funding for usual programs was not announced, delayed or cancelled without notice.

In the next few weeks GTTI will be undertaking a new strategic planning exercise with a view towards focusing our energies and services towards a more stable and sustainable environment for our students and community. To achieve this, we need your help.

Continued income development is at the forefront of our planning for 2023, and towards this end, we have initiated a new 6-week series of seminars entitled "Entrepreneurism in Georgina" that is scheduled to launch in September. It will feature leading experts delivering valuable messages to would-be entrepreneurs.

905-722-6300 | [www.gtti.ca](http://www.gtti.ca) | [inquiry@gtti.ca](mailto:inquiry@gtti.ca)

Another example is our S.E.T. Metal Roofing program, scheduled for November. For this program we have partnered with a local business owner to provide training to community members that will lead directly to employment in the field. Since its inaugural year in 2009, our S.E.T. program has successfully assisted over 230 students gain employment.

GTTI will continue to work to bring new career training opportunities to Georgina. The pandemic has taught us to evolve and expand our training capabilities. In 2023 we will continue to expand on our online and hybrid training opportunities. Further we will be engaging in market research with community members and local businesses to aid in development and adaptation of new and existing programming to ensure that their training needs are met.

2023 year is proving difficult to forecast as governments have put a hold on our normal grant opportunities. However, we believe that stability should return in 2023 barring any further outbreak of covid. We respectfully request the sum of \$50,000 to continue to allow us to offer more training opportunities to the citizens of Georgina and the surrounding area.

In closing, it cannot be said too often how much GTTI appreciates the support that the Town has given both financially and operationally during the past 16 years. Our partnership is an example of community building that we are confident will lead to even more achievement in the coming years.

Yours very truly,

Carr Hatch  
Chair of the Board

Sean Bell  
Vice Chair of the Board

## INDEPENDENT AUDITOR'S REPORT

---

To the Members of Georgina Trades Training Inc.

### *Opinion*

We have audited the financial statements of Georgina Trades Training Inc. (the organization), which comprise the statement of financial position as at December 31, 2021, and the statements of revenues and expenditures, statement of expenses, changes in net assets and cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the organization as at December 31, 2021, and the results of its operations and cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations (ASNPO).

### *Basis for Opinion*

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the organization in accordance with ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### *Responsibilities of Management and Those Charged with Governance for the Financial Statements*

Management is responsible for the preparation and fair presentation of the financial statements in accordance with ASNPO, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the organization's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the organization or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the organization's financial reporting process.

(continues)

*Auditor's Responsibilities for the Audit of the Financial Statements*

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the organization's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the organization's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the organization to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

## Notes to Financial Statements

Year Ended December 31, 2021

---

### 1. PURPOSE OF THE ORGANIZATION

Georgina Trades Training Inc. (the "organization", also herein referred to as GTTI) a not-for-profit organization, was incorporated on March 3, 2006 without share capital by letters patent pursuant to the Ontario Corporations Act, 1982. As a registered charity the organization is exempt from the payment of income tax under Section 149(1) of the Income Tax Act and is managed by a volunteer Board of Directors. GTTI is also prohibited from distributing any of its earnings to, or for the personal benefit of, the members or directors of the organization.

The organization operates to provide training to increase the employability of residents of the community and surrounding areas; thereby, enhancing the economic viability of the town, the region, and beyond.

Georgina Trades Training Inc. received registered charity status from the Canada Revenue Agency on June 1, 2012. This allows the organization to issue income tax deductible receipts to donors for proper qualifying gifts or donations received.

### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### Financial instruments policy

Financial instruments are recorded at fair value when acquired or issued and subsequently reported at cost or amortized cost, unless management has elected to carry the instruments at fair value.

Transaction costs on the acquisition, sale, or issue of financial instruments are expensed when incurred.

Financial assets are assessed for impairment on an annual basis at the end of the fiscal year if there are indicators of impairment. If there is an indicator of impairment, the organization determines if there is a significant adverse change in the expected amount of timing of future cash flows from the financial asset. If there is a significant adverse change in the expected cash flows, the carrying value of the financial asset is reduced to the highest of the present value of the expected cash flows, the amount that could be realized from selling the financial asset or the amount the organization expects to realize by exercising its right to any collateral. If events and circumstances reverse in a future period, an impairment loss will be reversed to the extent of the improvement, not exceeding the initial carrying value

#### Basis of presentation

The financial statements were prepared in accordance with Canadian accounting standards for not-for-profit organizations (ASNPO).

#### Fund accounting

Georgina Trades Training Inc. follows the deferral method of accounting for contributions.

Revenues and expenses related to program delivery and administrative activities are reported in the Operating Fund.

The Capital Fund reports the assets, liabilities, revenues, and expenses related to Georgina Trades Training Inc.'s capital assets and building improvements campaign.

## GEORGINA TRADES TRAINING INC.

### Notes to Financial Statements

Year Ended December 31, 2021

---

#### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *(continued)*

##### HST receivable

The organization qualifies as a registered charity. Accordingly, under the Canada Excise Tax Act and the Regulations it obtains a rebate of 69.69% of all Harmonized Sales Tax paid to suppliers and vendors. The unrecoverable portion is recorded as an expense with the rebate treated as a receivable.

##### Capital assets

Capital assets are stated at cost or deemed cost less accumulated amortization and are amortized over their estimated useful lives at the following rates and methods:

		non-amortizable
Artwork		
Computer site lab	30%	declining balance method
Computer equipment	30%	declining balance method
Computer software	30%	declining balance method
Furniture and fixtures	20%	declining balance method
Leasehold improvements	5%	declining balance method
Motor vehicles	30%	declining balance method
Signs	20%	declining balance method
Web portal development	30%	declining balance method

The organization regularly reviews its capital assets to eliminate obsolete items.

Capital assets acquired during the year but not placed into use are not amortized until they are placed into use.

##### Revenue recognition

Georgina Trades Training Inc. follows the deferral method of accounting for contributions.

Restricted contributions are recognized as revenue in the year in which the related expenses are incurred. Unrestricted contributions are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Fees for services and courses provided are recognized as revenue in the Operating Fund when the services have been rendered and payments are assured.

##### Government grants

Government grants are recorded when there is a reasonable assurance that the organization had complied with and will continue to comply with, all the necessary conditions to obtain the grants.

##### Donated goods and services

A number of volunteers have donated significant amounts of their time to the organization. No amount has been reflected in the statements for these donated services because no objective basis is available to measure their value.

## GEORGINA TRADES TRAINING INC.

### Notes to Financial Statements

Year Ended December 31, 2021

---

#### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (*continued*)

##### Measurement uncertainty

The preparation of financial statements in conformity with Canadian generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amount of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the period. These include life span of capital assets, unearned revenues, uncollectable amounts, and year end accruals. Such estimates are periodically reviewed and any adjustments necessary are reported in earnings in the period in which they become known. Actual results could differ from these estimates.

#### 3. GEORGINA TRADES TRAINING INC SKILLED TRADES INSTITUTE (GTTI-STI)

Effective March 31, 2020, Georgina Trades Training Inc. opened a second location by establishing a new GTTI Skilled Trades Institute (GTTI-STI), by the Ministry of Labour, Training and Skills Development, via a project partially funded through the Skills Advance Ontario (SAO) with an initial contract length of one year covering the period of March 31, 2020 to March 3, 2021. It was extended twice, once to Sept 30, 2021 and then to March 31, 2022, totaling \$4,026,500, offering training to 240 students each year in eight residential construction trades, including electrical, plumbing, HVAC, carpentry, cabinetry, flooring, roofing and drywall.

As part of the curriculum, students were to build and finish 1,100 square foot bungalows to be sold within Georgina, York Region and surrounding areas. The initiative was to be self funding in that the students were to be engaged in the construction of affordable, modular homes directed towards meeting the demands of the affordable housing market. The proceeds from the sale of these homes was to be used to offset tuition costs for the next intakes of students.

Starting on January 5, 2021, the newly established GTTI Skilled Trades Institute (GTTI-STI) welcomed the first intake of students for the pre-apprenticeship training program. During 2021, the GTTI-STI operated out of a leased premise at the Salvation Army site on Metro road and the Sutton Kin Hall with the intention of moving into the permanent site once it is complete. The permanent school site was in the process of being developed at 1614 Metro Road North, Georgina, Ontario, with an anticipated completion build date at the end of 2021. The permanent site is owned by the Town of Georgina who had committed an additional \$2.6 million in funding to provide a new campus for the purpose of assisting in constructing the building and facilities. It was the intention that GTTI-STI would lease back the land and the buildings, from the Town, that are yet to be constructed. Subsequent to the December 31, 2021 year end, in January 2022, it was announced that the permanent building plans were cancelled.

As of March 31st 2022, the GTTI Skilled Trades Institute (GTTI-STI), finalized its operations after conducting two cohorts involving eight residential construction trades, including electrical, plumbing, HVAC, carpentry, cabinetry, flooring, roofing and drywall; teaching trades, and placing students in the Ontario trade workforce.

**GEORGINA TRADES TRAINING INC.****Notes to Financial Statements****Year Ended December 31, 2021****4. EMPLOYER HEALTH TAX (EHT) PAYABLE**

Employer Health Tax (EHT) is payroll tax on remuneration (such as salaries, wages, and bonuses) that employers in Ontario provide to current and former employees. The purpose of this tax is to assist in providing the government with revenue to fund health care in Ontario.

In 2021, the payroll for both divisions cumulatively exceeded the threshold; therefore, the organization was required to pay employer health tax. As well, as a result of an audit from the Ministry of Finance during March 2022, since the board of directors consisted of two representatives from government organizations, Georgina Trades Training Inc., was not eligible for the exemption of one million in payroll prior to the requirement of paying employer health tax. An amount has been accrued in the financial statements for the year ending December 31, 2021.

Georgina Trades Training Inc does not agree with the Ministry of Finance Ruling and intends to file a motion to oppose the ruling.

**5. PROPERTY, PLANT AND EQUIPMENT**

	Cost	Accumulated amortization	2021 Net book value	2020 Net book value

**GEORGINA TRADES TRAINING INC.****Notes to Financial Statements****Year Ended December 31, 2021****6. DEFERRED REVENUE**

The organization is holding cash deposits that have been committed as follows:

	<u>2021</u>	<u>2020</u>
Division 1 operating fund		
Gerry Brouwer Scholarship Fund	\$ 6,956	\$ 7,934
King Power Safety	300	300
Len Westcott Bursary Fund	5,000	6,500
William Wahrer Scholarship Fund	-	10,000
Street naming	17,000	17,000
Home Depot Orange Door	50,000	-
New Horizon Seniors grant	7,279	-
	<u>86,535</u>	<u>41,734</u>
Division 1 capital fund		
Town of Georgina (Quest bus)	40,472	57,814
Division 2 operating fund		
Ministry of Labour, Training and Skills Development	-	285,212
	<u>\$ 127,007</u>	<u>\$ 384,760</u>

**7. LONG TERM DEBT**

	<u>2021</u>	<u>2020</u>
South Lake Community Futures Development Corporation loan.	\$ 139,702	\$ 144,784
Town of Georgina loan bearing interest at 2.5% per annum, repayable in quarterly blended payments of \$12,804.	<u>158,529</u>	<u>-</u>
	298,231	144,784
Amounts payable within one year	<u>(13,841)</u>	<u>(5,000)</u>
	<u>\$ 284,390</u>	<u>\$ 139,784</u>

The loan payable to South Lake Community Futures Development Corporation (SLCFDC) was renewed during the year on an annual renewal basis. This loan is repayable in monthly payments of interest only at a rate of 1.75% per annum and is guaranteed by the Town of Georgina; however, starting in 2019, a mandatory \$5,000 principal repayment is required annually (which had been optional since the loan's inception). The loan was originally obtained in 2008 to complete renovations to the Georgina Trades Training Inc. facility, located at Baseline in Sutton, Ontario. During 2019, an additional amount of \$44,851 was obtained to bring the loan back up to the \$150,000 that had been initially loaned from Southlake Community Futures Development Corporation on June 27, 2008, per the original promissory note.

With regards to the property at 1614 Metro Road, the intended future site of the Skilled Trades Institute, a loan was obtained with the Town of Georgina during the year to cover the costs associated with the leasehold improvements infrastructure, such as sewer and water, architectural designs and other preliminary costs associated with prepping the property for the intended development. As no further funding is currently available, the development will not be continuing at this time. However, Georgina Trades Training Inc. is responsible for the costs incurred to date on the property.

## Notes to Financial Statements

Year Ended December 31, 2021

### 7. LONG TERM DEBT (*continued*)

Principal repayment terms are approximately:

2022	\$	13,841
2023		14,062
2024		14,288
2025		14,520
2026		14,758
Thereafter		226,762
	\$	<u>298,231</u>

### 8. THE CANADA EMERGENCY BENEFIT ACCOUNT (CEBA) LOAN

The Government of Canada introduced support for businesses facing hardship as a result of the Covid-19 pandemic. The Canada Emergency Benefit Account (CEBA) provides interest-free loans of up to \$40,000 with 25% of the loan forgivable if the balance of the loan is repaid by December 31, 2022. The Federal government expanded the program on December 4, 2020, to provide an additional \$20,000 (50% of which is forgivable if also repaid by December 31, 2022).

If the CEBA loan is not repaid by December 31, 2022, it will be extended for an additional three year term bearing interest rate of 5% per annum. However, at December 31, 2021, Georgina Trades Training Inc. intends to repay the loan prior to December 31, 2022.

In 2020, the organization received a \$40,000 loan. The \$10,000 forgivable portion of the loan has been included in income for the period ending December 31, 2020.

Subsequent to the year end, on January 12, 2022, the Federal government extended the forgiveness repayment deadline from December 31, 2022 to December 31, 2023. Outstanding loans after the forgiveness period expires would convert to two year term loans with interest of five percent commencing on January 1, 2024, with the loans fully due by December 31, 2025.

### 9. LAND IMPROVEMENT AND SERVICE COSTS

During the year, initial preliminary work had been started on the site that had been intended for the proposed new building for the Skill Trades Institute. These costs, which include soil sampling, engineering, water and sewer work, were started prior to finalizing a lease agreement with the Town of Georgina. These costs are one time, non-recurring as the funding that had been anticipated from the Ministry of Labour, Training, and Skills Development, had never received final approval. Since Georgina Trades Training Inc. did not have a finalized lease agreement, the costs incurred have no future benefit to the organization, as the property belongs to the Town of Georgina. Currently, there are no plans in progress to proceed with the building of the Skill Trades Institute (GTTI-STI).

### 10. FINANCIAL INSTRUMENTS

The organization is exposed to various risks through its financial instruments and has a comprehensive risk management framework to monitor, evaluate and manage these risks. The following analysis provides information about the organization's risk exposure and concentration as of December 31, 2021.

(*continues*)

# GEORGINA TRADES TRAINING INC.

## Notes to Financial Statements

Year Ended December 31, 2021

### 10. FINANCIAL INSTRUMENTS (continued)

#### **Credit risk**

Credit risk arises from the potential that a counter party will fail to perform its obligations. The organization is exposed to credit risk from customers and funders, as a result of potential non-repayment of course fees and/or fundraising amounts. In order to reduce its credit risk, course fees are usually paid in advance. An allowance for doubtful accounts is established based upon factors surrounding the credit risk of specific accounts, historical trends and other information. The organization has a significant number of funders which minimizes concentration of credit risk.

#### **Liquidity risk**

Liquidity risk is the risk that an entity will encounter difficulty in meeting obligations associated with financial liabilities. The organization is exposed to this risk mainly in respect of its receipt of funds from its funders and other related sources, long-term debt, and accounts payable.

#### **Market risk**

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: currency rate risk, interest rate risk and other price risk. The organization is not materially exposed to any of these risks.

#### **Additional risk**

Unless otherwise noted, it is management's opinion that the organization is not exposed to significant other price risks arising from these financial instruments.

### 11. GEORGINA'S COMMUNITY CONNECTION CENTRE (THE LINK)

During 2014, a grant of \$150,000 was received from the Ontario Trillium Foundation, on behalf of the Town of Georgina, to be used to build and equip a kitchen for a new community hub in Georgina, called Georgina's Community Connection Centre, hereinafter referred to as the "Link". The new kitchen is to host community meals, nutrition/cooking workshops and food-related training. The equipment and renovations became the property of the Town of Georgina once they were acquired and installed initiated through a licence agreement allowing use and access for program offerings, ending September 18, 2018. A new two year licence agreement between the Town of Georgina and Georgina Trades Training Inc. for the use of the Link kitchen for the 2019 and 2020 fiscal years was entered into with a rate of \$30 + HST per day for 2019 and \$31 + HST per day for 2020 based on usage of the kitchen for culinary training programs. Georgina Trades Training Inc. is to receive 20 free hours of shared space per year (i.e. event hall, meetings rooms) and is required to pay for space usage beyond the annual allotment. The licence agreement pertaining to the use of the kitchen located in the Link has not been renewed as at December 31, 2021.

### 12. BUS CHARTER REVENUE

	2021	2020
Bus Charter	\$ 4,539	\$ 4,510
Bus Charter - Division 2	77,916	-
	<u>\$ 82,455</u>	<u>\$ 4,510</u>

Since division 2 (Skills Trades Institute) was incurring the most usage of the buses for the students, a monthly fee of \$8,000 (from January to September 2021) was paid to Division 1 to offset the costs incurred, such as the driver, maintenance, amortization, and fuel. For the months of October to December, a prorated amount based on usage was paid to division 1, as usage was reduced.

## GEORGINA TRADES TRAINING INC.

### Notes to Financial Statements

Year Ended December 31, 2021

---

#### 13. LEASE COMMITMENT - 5207 BASELINE ROAD

On June 10, 2020, Georgina Trades Training Inc. renewed the lease agreement with the Town of Georgina for a period of five years, commencing July 1, 2020 for the use of the property and building located at 5207 Baseline Road, Sutton. As per the agreement, Georgina Trades Training Inc. is to cover the costs of future capital repairs, pay all applicable property taxes levied (currently \$26,000 per year) in lieu of rent, and pay all utility costs and insurance premiums for the property.

#### 14. COMMITMENT - ROUTES CONNECTING COMMUNITIES INC. QUEST BUS PARTNERSHIP

On April 30, 2019, Georgina Trades Training Inc. entered into an agreement with Routes Connecting Communities Inc. The agreement pertains to services relating to the purchase of a new bus, commonly referred to as the "Quest bus", and programming, as outlined in the Grant Agreement involving Georgina Trades Training Inc, Routes Connecting Communities Inc, the Ministry of Transportation and the Town of Georgina. The term of the agreement began on the date of the agreement and remains in full force and effect until March 31, 2023, subject to earlier termination as provided in the agreement and with 90 days written notice to the other parties. When the parties agree to not extend the agreement, the capital assets obtained through the Grant will be equally divided based on market value at that date. An independent appraisal of market value may be required.

On June 28, 2021, the Government of Ontario extended the Community Transportation (CT) Grant Program for an additional two years to continue supporting communities across Ontario until the 2024-2025 fiscal year.

#### 15. ECONOMIC DEPENDENCE

Georgina Trades Training Inc. is dependent on annual contributions from various levels of government to finance its general fund operations. Should these contributions cease, the organization would be unable to continue these operations.

During 2020, Georgina Trades Training Inc. opened the Skilled Trades Institute (STI), known as Division 2. The Skilled Trades Institute is dependent upon the funding from the Ministry of Labour, Training and Skills Development (formerly the Ministry of Training, Colleges and Universities) under the project Skills Advance Ontario.

Subsequent to December 31, 2021, the funding which had been proposed in regards to the building of the new Skill Trades Institute, originally proposed, was never offered for Year 3 and beyond, and the project has been cancelled, resulting in the closure of STI on March 31, 2022. Georgina Trades Training Inc. is still in hopes that the project will be re-introduced in the future.

#### 16. CANADA EMERGENCY WAGE SUBSIDY (CEWS)

The federal government, managed through the Canada Revenue Agency, has implemented a program called the Canada Emergency Wage Subsidy (CEWS). The program was implemented to assist with staff costs associated with the negative economic impact of the COVID-19 pandemic, in an effort to reduce the employment impact (and help prevent further job loss) of businesses and organizations who have incurred a significant drop in revenue due to the COVID-19 pandemic.

During the year, the organization received \$90,054 in CEWS. Since the program ended on October 23, 2021, there is no receivable at December 31, 2021. Two new subsidy programs were introduced, starting on October 31, 2021 offering wage and rent support called the Tourism and Hospitality Recovery Program and the Hardest Hit Business Recovery Program. Georgina Trades Training Inc. did not qualify for these new covid-19 relief programs.

### Notes to Financial Statements

Year Ended December 31, 2021

---

#### 17. SUBSEQUENT - EMPLOYMENT SETTLEMENT

The organization has a contingent liability for the termination of a former employee which was settled in 2022. Subsequent to the year end, the settlement, reached on Feb 23, 2022 indicates a settlement amount consisting of reimbursement of legal and a lump sum payment, which is to be paid on or before March 18, 2022. These amounts have been accrued in the financial statements for the year ending December 31, 2022. The amount has been paid in March 2022, in compliance of the settlement agreement and at this time, there are no additional payables anticipated pertaining to this matter..

#### 18. COVID-19

In March 2020, the World Health Organization declared a global pandemic due to the novel coronavirus (COVID-19). The situation is constantly evolving, and the measures put in place are having multiple impacts on local, provincial, national and global economies.

The organization is aware of changes in its operations as a result of the COVID-19 crisis. As a result, a few of the funding agreements from the prior year had been extended to allow the organization to complete the requirements which were hindered by the provincial mandated closures. As well, to mitigate the potential loss, the organization applied for the federal government funding, Canada Emergency Wage Subsidy (CEWS), as explained in note 16. The organization applied for the Canada Emergency Benefit Account (CEBA) loan, as explained in note 8, to assist with cash flow concerns that arose.

Management is uncertain of the effects of these changes on its financial statements and believes that any disturbance may be temporary; however, there is uncertainty about the length and potential impact of the disturbance.

As a result, we are unable to estimate the potential impact on the organization's operations as at the date of these financial statements.

#### 19. COMPARATIVE FIGURES

Some of the comparative figures have been reclassified to conform to the current year's presentation.
