Subject: municipally significant events request

Madame Mayor and Council,

Please consider the following dates and events as municipally significant for the purpose of getting an approved FOR SALE liquor permit for AGCO.

FORREST JONES ENTERTAINMENT has consistently provided a variety of entertainment events in the past; and coming soon which you have already approved.

These new dates and shows will continue to offer high quality, entertainment productions of variety to the community.

MARCH 8, 2023 – ABBAMANIA

MAY 9, 2023 – MAGIC MEN AUSTRALIA

Would love to have participation from any councillor – should they be interested; especially who ever the Ward Councillor is – at least.

Respectfully,
Forrest Jones
