**Subject:** Thursday February 1st - Optimist Day

Hi Alexandra,

Thursday February 1st is Optimist Day around the world. A day when Optimist Clubs around the world celebrate their work within the community. This year marks our club's 75th Anniversary in Georgina and 100th Anniversary of the Optimist Organization in Canada. We were hoping the Mayor Quirk would proclaim February 1st Optimist Day in Georgina and allow us to raise our flag at the Civic Center.

Having never done this before I have attached a copy of a Proclamation and am hoping Mayor Quirk can sign it unless you have one that is used for other organizations. Would it be possible to have a flag raising ceremony on February 1st with our members coming out to raise our Optimist Flag?

Any guidance you can provide on making this happen would be appreciated.

Thank you  
Jane
