2024 POTENTIAL FLEXIBLE BOLLARD AND SPEED HUMP LOCATIONS

GEORGINA

Flexible Bollards

- The upcoming locations have been identified as candidates for a Step 1 – Immediate Traffic Calming Measure under policy RD-18.

- With the ongoing development and updating of the towns traffic calming policy, staff wish to avoid preemptively installing bollards in locations that could potentially clash with new and refined guidelines/criteria

- Site conditions will also have to be inspected to ensure bollards are the appropriate measure for each location respectively

Bollards
Potential Location Overview

- Maple Avenue

- Woodfield Road

- Fairbank Avenue

- Old Homestead Road (between Lake Drive North and Metro Road North)

- Hadden Road (Approximately 730m from Highway 48)

EXACT LOCATIONS STILL TBD

Speed Humps

- The upcoming locations have been identified as candidates for a Step 2 – Local Improvement Traffic Calming Measure under policy RD-18.

- Staff wish to increase the frequency of speed humps in the existing locations, as well as install in the new locations shown. The locations chosen will ultimately consider budget, as well as existing data/site conditions to ensure speed humps are the appropriate measure for each location respectively

- With the ongoing development and updating of the towns traffic calming policy, staff wish to avoid preemptively installing speed humps in locations that could potentially clash with new and refined guidelines/criteria

Speed Humps
Potential Location Overview

<u>Existing Locations – Potential Enhanced Frequency</u>

- Riveredge Drive

- Franklin Beach

- Willow Beach

EXACT LOCATIONS STILL TBD

<u>New Potential Locations</u>

- Church Street

- Irene Drive

EXACT LOCATIONS STILL TBD

Traffic Calming Policy Outlook

- Operations is looking to hire a second Operations Technologist.

- The new Operations Technologist would be heavily focused on development and updating of the town's traffic calming policy, as well as the yearly programming (this would include data collection, recommending traffic calming measures, etc.)
