Notice of Construction Polybutylene Water Service Replacements

The Town of Georgina is undertaking the replacement of the existing water services on Bayview Avenue, Royal Road, Elmhurst Lane and Loves Road as shown in the map below. The work includes the replacement of the existing polybutylene (plastic piping) water service connections with copper service connections. The replacements will occur from the water main underneath the road, up to the property line.

What can you expect?

- **Construction Timeline:** This construction work is anticipated to start late September 2024 and expected to be completed in December 2024.
- **Work hours:** Construction hours will be from 7 a.m. to 8 p.m. Monday to Friday, with occasional work after hours and on weekends as required.
- **Road Access:** Elmhurst Lane (at the north end) will be fully closed for the contractor's storage area. Detour signage will be provided. Other temporary lane closures may be required in order to complete the project. Access for local residents and emergency services vehicles will be maintained throughout the duration of construction.
- **Water service disruptions:** Temporary water shut offs will be required to switch to the new water service. You will be contacted 48 hours in advance of the shut off.
- **Driveway access:** Driveways may be temporarily blocked during construction. You will be notified in advance if your driveway will be blocked.
- **Collection of garbage from homes within the road closure area** will be provided by the construction contractor.
- **Noise and dust:** Due to the nature of the work, there will be construction-related noise and dust, though every effort to minimize this will be made.
- **Restoration:** The work area (including driveways, grass, roads, and curbs) will be restored to existing conditions at completion of the work.

Thank you for your patience as we complete this important construction project. If you have questions about the upcoming work, contact the below or visit: <https://www.georgina.ca/PolyB>
