1. ROLL CALL

As noted above

“The Town of Georgina recognizes and acknowledges that we are on lands originally used and occupied by the First Peoples of the Williams Treaties First Nations and other Indigenous Peoples, and on behalf of the Mayor and Council, we would like to thank them for sharing this land. We would also like to acknowledge the Chippewas of Georgina Island First Nation as our close neighbour and friend, one with which we strive to build a cooperative and respectful relationship.

We also recognize the unique relationship the Chippewas have with the lands and waters of this territory. They are the water protectors and environmental stewards of these lands, and we join them in these responsibilities.”

Item 11a) was brought forward at this time.

Motion to Appoint Brianna Raines Secretary-Treasurer for the Committee of Adjustment, effective October 7, 2024.

3. **MINOR VARIANCE APPLICATION A22-24
9 VICTORIA ROAD
PLAN 178 LOT 49**

Gord Mahoney, Agent, spoke to the application, seeking relief from the By-Law to build an addition to the retail store in the size of 74 sq m. Gord Mahoney advised that he and his client had an issue with the imposed conditions, which was a lot grading and drainage plan. Gord Mahoney advised that this was already submitted to the engineering department, he

asked that the Committee approve the application without the condition 2 c.1.

There were no other parties to speak to the application.

Member, Chris Burns, asked if there would be a separate tenanted space or would it be operated by the owner as the store. The Agent, Gord Mahoney responded, that the addition is just making more area for the store. Chris Burns, Member, asked if the Engineering drawings accounted for increase septic. The Agent advised that it was his understanding it was a new septic as it was put in the early 2000's. Chris Burns, Member, then asked if the property was subject to a site plan agreement as well, Gord advised that this was correct.

John Rogers, Chair asked if Monika Sadler, Planner I, had any issues with the removal of the condition. Monika advised, In speaking with the engineering department, that they have confirmed that through the site plan application they have approved a grading and drainage plan, committee can remove the condition, however if the committee does not remove the condition engineering has already seen the site plan and the condition would be fulfilled as soon as the Notice of Final and Binding is provided to the applicant.

The committee agreed to remove the condition 2 c. 1.

Following the vote, Committee Chair John Rogers advised that the application is approved subject to a 20-day appeal period and two years to meet all conditions.

4. MINOR VARIANCE APPLICATION A19-24
800 MONTELL AVENUE
PLAN 331 LOT 42

The Agent, Patrick Forbes, spoke to the application, to explain the application to ask for a minor variance to allow for an accessory structure in the front yard.

Monika Sadler, Planner I, did a presentation on the application to compare it to the four tests of a minor variance.

Chris Burns, Member asked, Monika Sadler, Planner I, does this proposal conform with the exterior side yard set back. Monika advised that she had been talking to the zoning examiners and if it is in the front yard, it does not have to conform with the setbacks, those setbacks do not need to be met as a structure in the front yard is not permitted.

Following the vote, Committee Chair John Rogers advised that the application is approved subject to a 20-day appeal period and two years to meet all conditions.
