Dear Mr. Ka,

Re: Application for Minor Variance
586 Lake Drive East
Town of Georgina
Owner: R+H SOL INC. (c/o Harvey Solorsh)
Applicant: Michael Smith Planning Consultants; Development Coordinators Ltd. (c/o Michael Smith)

Thank you for circulating the above-captioned application to the Lake Simcoe Region Conservation Authority (LSRCA) for review and comment. It is our understanding that the applicant is proposing to legalize an existing detached dwelling and accessory structure (shed) on the subject land. The applicant is seeking relief from the following sections of the Town of Georgina's Zoning By-law No. 500, as amended:

- **Section 6.1(c)** of the By-law which requires a minimum front yard setback of 6 metres, whereas the proposal is requesting a front yard setback of 4.8 metres;
- **Section 5.1(b)** of the By-law which requires a setback from the main building of 2 metres, whereas the proposal is requesting a setback from the main building of 1.6 metres;
- **Section 5.1(d)** of the By-law which requires a setback of an accessory structure from the front lot line to be 6 metres, whereas the proposal is requesting a setback of 0 metres;
- **Section 5.1(d)** of the By-law which requires a setback of an accessory structure from the interior lot line to be 1 metre, whereas the proposal is requesting a setback of 0.6 metres;
- **Section 5.45(a)** of the By-law which restricts the eaves of an accessory structure to encroach into the interior lot line and project into the road allowance by 0.5 metres, whereas the proposal is requesting to encroach 0.6 metres into the interior lot line;
- **Section 5.45(a)** of the By-law which restricts the eaves of a dwelling to encroach into the front yard by 0.5 metres, whereas the proposal is requesting to encroach 0.7 metres into the front yard.

Documents Received and Reviewed by Staff

Staff have received and reviewed the following documents submitted with this application:

- Notice of Hearing Agency Circulation (dated February 5, 2024)

Staff have reviewed this application as per our delegated responsibility from the Province of Ontario to represent provincial interests regarding natural hazards identified in Section 3.1 of the Provincial Policy Statement (PPS, 2020) and as a regulatory authority under Ontario Regulation 179/06 of the *Conservation Authorities Act*. LSRCA has also provided comments as per our Memorandum of Understanding (MOU) with the Town of Georgina. The application has also been reviewed through our role as a public body under the *Planning Act* as per our CA Board approved policies. Finally, LSRCA has provided advisory comments related to policy applicability and to assist with implementation of the South Georgian Bay Lake Simcoe Source Protection Plan under the *Clean Water Act*.

Recommendation

Based on our review of the submitted information in support of the application, the proposal is generally consistent and in conformity with the natural hazard policies of the applicable plans. On this basis, we have no objection to the approval of this application for Minor Variance. It is recommended that any approval of this application be subject to the following conditions:

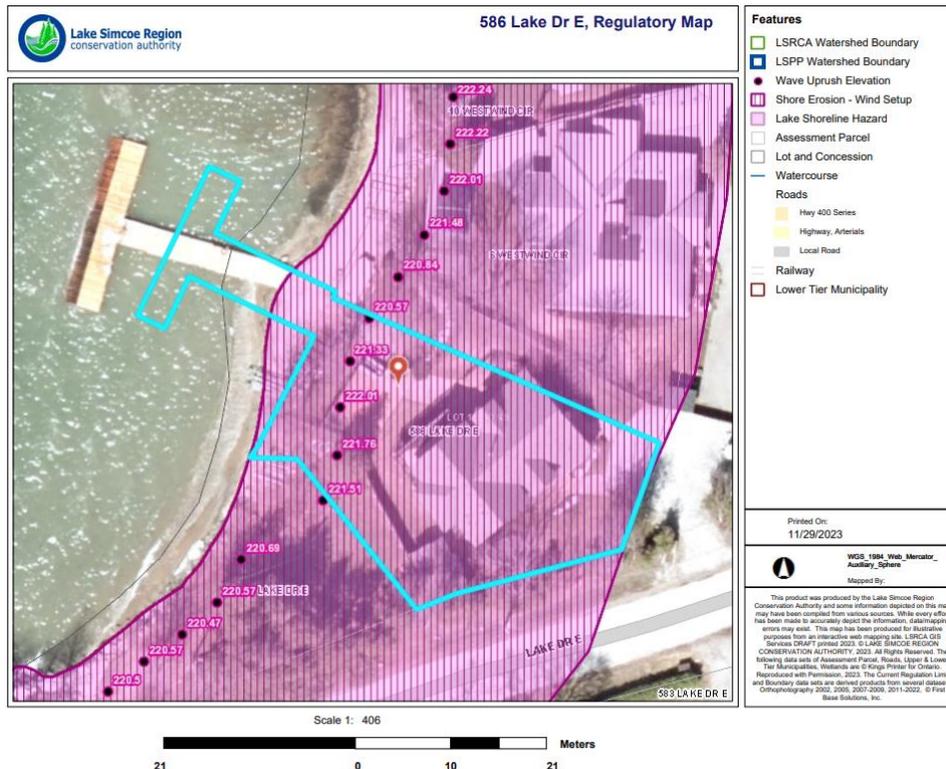

- That the Applicant/Owner successfully obtain a permit or written clearance from the LSRCA.

Site Characteristics

The subject land is approximately 0.11 hectares (0.26 acres) and is located north of Lake Drive East and west of Westwind Circle within the Town of Georgina. The subject land is within the “Serviced Lakeshore Residential Area” as per Schedule A2 of the Town of Georgina Official Plan. The subject land is zoned “Residential” (R) as per Map 5 of Schedule A of the Town of Georgina’s Zoning By-law No. 500, as amended.

Existing mapping indicates the following:

- The subject property is entirely regulated by the LSRCA under Ontario Regulation 179/06 for shoreline flooding and erosion hazards. Please see a detailed regulatory map below.

Please note: LSRCA staff have not attended any site meetings at this location related to the subject applications.

Delegated Responsibility and Statutory Comments

1. LSRCA has reviewed the application through our delegated responsibility from the Province to represent provincial interests regarding natural hazards identified in Section 3.1 of the Provincial Policy Statement (PPS). There are identified natural hazards on the subject lands (floodplain, erosion hazard area). Based on the information submitted as part of this application, the proposal is generally consistent with 3.1 of the PPS.
2. LSRCA has reviewed the application as per our responsibilities as a regulatory authority under Ontario Regulation 179/06. This regulation, made under Section 28 of the *Conservation Authorities Act*, enables conservation authorities to regulate development in or adjacent to river or stream valleys, Great Lakes and inland lake shorelines, watercourses, hazardous lands and wetlands. Development taking place on these lands may require permission from the conservation authority to confirm that the control of flooding, erosion, dynamic beaches, pollution or the conservation of land are not affected. LSRCA also regulates the alteration to or interference in any way with a watercourse or wetland.

Ontario Regulation 179/06 applies to the subject property. Please contact LSRCA Regulations staff to obtain a retroactive permit or written clearance for the constructed dwelling and shed. Should any future development or site alteration be proposed on the subject land, a permit from the LSRCA will be required.

Advisory Comments

1. LSRCA has reviewed the application through our responsibilities as a service provider to the Town of Georgina in that we provide through a MOU as well as through our role as a public body, pursuant to the *Planning Act*.

Summary

Based on our review of the submitted information in support of this application, the proposal is generally consistent and in conformity with the natural hazard policies of the applicable plans. On this basis, we have no objection to the approval of this application for Minor Variance.

Given the above comments, it is the opinion of the LSRCA that:

1. Consistency with Section 3.1 of the PPS has been demonstrated;
2. Ontario Regulation 179/06 applies to the subject site. A permit or written clearance from the LSRCA will be required;
3. We note that the Applicant/Owner has paid the required LSRCA review fee of \$536.

Please inform this office of any decision made by the municipality with regard to this application. We respectfully request to receive a copy of the decision and notice of any appeals filed.

Should you have any questions, please contact the undersigned (j.lim@lsrca.on.ca).

Sincerely,

Jessica Lim
