

# Analysis of Impacted Properties and Mitigation Strategies

Area		Approx No. of Impacted Properties	Primary Fire Hall	Primary Response Impact	Secondary Response Impact	Mitigation	Comment on Mitigation
A	Eastbourne Drive	56	Keswick Fire Hall 1-4	Negligible	3 minutes	1,400 m drive in MUP	Long distance to drive in MUP, some secondary response impacts remain
B	West of Civic Centre Road	80	Keswick Fire Hall 1-4	Negligible	3-4 minutes	1,500 m drive in MUP	Long distance to drive in MUP, some secondary response impacts remain
C	Paradise Beach	54	Sutton Fire Hall 1-6	< 30 seconds	Negligible	Emergency access only at Lagoon Drive and <100 m drive in MUP	Mitigation will result in negligible or improved impact from primary response
D	West of Willow Beach	24	Sutton Fire Hall 1-6	1 minute	Negligible	Emergency access only at Lagoon Drive	Mitigation will result in negligible or improved impact from primary response
E	West of Rockaway Road	2	Sutton Fire Hall 1-6	<30 seconds	Negligible	None, or <100 m drive in MUP	Mitigation will result in negligible impact from primary response
F	West of Montsell Avenue	4	Sutton Fire Hall 1-6	<30 seconds	Negligible	None, or <100 m drive in MUP	Mitigation will result in negligible impact from primary response
G	Land's End / west of Salvation Army Road	22	Sutton Fire Hall 1-6	1-2 minutes	Negligible	350 m drive in MUP	Mitigation will result in reduced impact from primary response
H	Franklin Beach Road / De La Salle Boulevard	90	Sutton Fire Hall 1-6	1 minute impact	Negligible	Emergency access only at De La Salle Boulevard	Mitigation will result in negligible or improved impact from primary response
Total impacted properties west of Civic Centre Road		136					
Total impacted properties east of Civic Centre Road		196
