### Incident Details

Address: 57 Blue Jays Blvd, Pefferlaw, ON

Location on Property **/OR** Location on Street: On the street of Blue Jays Blvd, Pefferlaw ON

Date of Incident: August 4<sup>th</sup>, 2023

Time of Incident: 1pm

Details of Incident: I was walking with my sister on the above date and time southbound on Blue Jay Blvd with my sister, Julian Greer-Ouellette and my golden retriever, Hank, who was leashed. We were walking along the east side of the road (there are no sidewalks), when a German Shepherd dog ran out from the property at 57 Blue Jay Blvd and attacked my dog by biting him on the face and neck. I was able to separate the dogs and quickly walked away from the house, where I yelled for the dog's owner to come outside and get their dog. The dog was not on a leash and was later standing in the middle of the road as we walked away. After yelling for the owner to come out, a female from across the street came outside and told me that no one was home at that address and that the dog is just left outside.

Later in the day, I observed a cut on the right side of my dog's face where he was bit by the German Shepherd. As I did not know who the dog belonged to, I made a post on the community Facebook group, in an effort to locate the dog's owner and to see if anyone had had a similar experience. The post was inundated with other residents stating that they have had the same experience and that they no longer even walk on Blue Jay Blvd as they fear this dog, now known as "Lincoln" and owned by a Mr. McCarthy.

I have not made any contact with the owner of the dog at this time.

A similar incident occurred two weeks prior, where the same dog charged out at myself and my dog, where Lincoln growled and was aggressive with my dog, but he did not bite him on that occasion.
