Dear Head of Council:

Through the *More Homes Built Faster Act, 2022*, changes were made to the *Planning Act* to accelerate implementation of the province's additional residential unit (ARU) framework. These changes allowed "as-of-right" (without the need to apply for a rezoning) the use of up to 3 units per lot in many existing residential areas (i.e., up to 3 units allowed in the primary building, or up to 2 units allowed in the primary building and 1 unit allowed in an ancillary building such as a garage).

To support implementation of ARUs, the *Cutting Red Tape to Build More Homes Act, 2024*, made further changes to the *Planning Act* to provide me, as the Minister of Municipal Affairs and Housing, with broader regulation-making authority to remove municipal zoning by-law barriers that may be limiting the development of ARUs.

Following consultation on the Environmental Registry of Ontario, our government has taken further action to tackle the housing supply crisis and reach our goal of building more homes by amending [Ontario Regulation 299/19 – Additional Residential Units](#) to remove certain municipal zoning by-law barriers. These changes took effect upon filing.

These changes will help to facilitate the creation of ARUs, such as basement suites and garden suites, by eliminating barriers including maximum lot coverage, angular planes, floor space index (FSI), minimum separation distances and minimum lot sizes on parcels of urban residential land subject to the ARU framework in the *Planning Act*. More information on these changes can be found through [Environmental Registry of Ontario posting 019-9210](#).

It is my expectation that municipalities will respect these regulatory changes and the intent behind them. I will not hesitate to use my available powers to ensure these changes to the *Planning Act* are allowed to support our goal of building more homes.

We will continue working with our municipal partners to achieve our goal of building the homes that Ontarians need.

Sincerely,

Hon. Paul Calandra  
Minister of Municipal Affairs and Housing
