Describe the purpose of the flag display

Join Autism Ontario as we Celebrate the Spectrum this upcoming World Autism Day by flying the flag for our “Fly the Flag” campaign and formally proclaiming April 2, 2025, as World Autism Day. This is an excellent opportunity for your municipality to show support for autistic individuals across Ontario and in your communities. Celebrate the Spectrum is our campaign for World Autism Day celebrations. It is an opportunity for positive action to provide spaces of support and advocacy for our diverse communities while learning about autism, and how we can all make our communities better for autistic individuals. Our campaign theme is tie-dye, symbolizing the beautiful uniqueness and individuality of every autistic person. Celebrate the Spectrum unites families, schools, communities, businesses, government, and professionals in recognizing World Autism Day by celebrating autistic people and bringing to light the systemic barriers that must be removed to create a more supportive and inclusive Ontario. Autism Ontario is a charitable organization founded in 1973, and we are privileged to support the autism community of Georgina. We have more than 50 years of supporting, representing, and advocating for all autistic individuals across the province regardless of race, ethnicity, income, religion, gender identity, or sexual orientation.
