To Whom It May Concern,

We are writing as the immediate neighbours to 143 Moores Beach Road to express our *full and informed support* for the minor variance application currently under consideration.

Having reviewed the details of the proposed changes, we can confidently say that we have no objections to the request. As the property owner most directly impacted, we believe the proposed modifications are both reasonable and respectful of our shared space. They will not negatively affect our property or the surrounding neighborhood in any way. The improvements appear well thought out and will likely enhance the overall look and function of the area.

We appreciate the applicant's transparency and consideration throughout this process and trust the Committee will give this application the thoughtful attention it deserves.

Should you require any further information or confirmation from our end, we would be happy to provide it.

Sincerely,

[REDACTED]
