Mr. Geoff Harrison,  
Manager, Tax and Revenue  
Office of the Deputy CAO  
Town of Georgina  
26557 Civic Centre Road  
Keswick, ON, L4P 3G1

Dear Mr. Harrison:

I am writing to you concerning the mill levy that the Town of Georgina collects for the York Region Federation of Agriculture.

The purpose of the levy is to support agriculture in the Town of Georgina and York Region and the Federation undertakes a number of activities to this end. The Federation holds monthly meetings and all members are invited to attend. The meetings provide a forum for hearing issues of concern, deciding appropriate action to address the concerns and having input into the activities of the Ontario Federation of Agriculture.

York Federation promotes agriculture by co-operating with commodity boards and other interested organizations to set up agricultural displays at Fairs in the Region, assists the 4H program in York Region financially and many other activities throughout the year.

The Town of Georgina collects approximately \$1,500.00 per year for the York Region Federation of Agriculture. Please include a similar amount in your 2026 budget and forward it to the address below.

Kim Empringham, Secretary/Treasurer  
York Region Federation of Agriculture

If you have any questions I can be reached at (905)-888-1235.

Thank you

Kim Empringham  
York Region Federation of Agriculture
