

To Whom It May Concern,

My name is Desmond Li, and I reside at ■ Scotia Road. I have been a neighbor to Mai Tu and Tim Chaudoir of 24 Prosser Crescent for eight years.

This statement is offered regarding my observations of their dog, Chewie, over the duration of our neighbor's relationship. I have had numerous opportunities to observe and interact with Chewie in various settings.

Chewie has consistently displayed a **calm, friendly, and gentle temperament** in all my experiences. My direct interactions with him have always been pleasant, and he has never exhibited any behavior that caused me to feel unsafe.

Furthermore, I can attest to Chewie's **gentle and tolerant nature** around children. My own child, now six, has been interacting with Chewie since the age of four. I have personally supervised these interactions and have never witnessed any act of aggression or concerning behavior toward my child.

Based on my direct and repeated observations, I affirm that Chewie's normal disposition is peaceful and trustworthy.

Sincerely,

Desmond Li
