

Olivia Arnold [REDACTED] Prosser Crescent [REDACTED]

To the Town of Georgina and Members of the Appeal Committee,

My name is Olivia Arnold; I live just down the street from Tim and Mai at 36 Prosser Crescent and have known them for several years now. I am writing to address recent, unfortunately false accusations regarding the temperament of their beloved dog Chewy.

I want to assuredly state that this dog has never displayed any hostile behavior, aggressive tendencies whatsoever in my presence. His disposition is consistently sweet and gentle. For those who know Chewy knows that in fact he is incredibly tame, gentle, and loving. I understand that perceptions can sometimes be misleading, but I feel it's crucial to share the true character of Tim and Mai's family dog Chewy

The best evidence of this is Chewy's interaction with the neighborhood children. Wonderfully mild-mannered in their presence. His gentle spirit is a true reflection of his nature.

Chewy is a cherished member of their family, and the community all sees the kind, friendly, and affectionate dog that he is. We are proud to have Chewy in our neighborhood, and we encourage anyone who has concerns to simply see Chewy interact with his family—I am confident Chewy's true, loving personality will shine through.

Lastly, please feel free to reach out to me if you require any additional information or details pertaining to Chewy.

Thank you.

Sincerely,
O. Arnold
