Tammy

I'm hosting an event at the leacock on dec 4<sup>th</sup>.  
Tribute to Johnny cash, with opening performance by local Michael Chianelli.

*It is this event that will essentially open the theatre at full capacity.*

Can you please advise who/staff that I need to send this too for request for municipal significance for a liquor permit. I think it needs to go into council for the record, but for the life of me – I cant remember who ?

Please also extend a courtesy to Madame Mayor Quirk, if she and a guest would like to attend , as My Personal Guest, to showcase the opening of the theatre – and that it can be done safely – and tastefully, while bringing life and events back to the community.

Along with the staff we are implementing a safety plan, for those to come and go, and all the while, enjoy the benefits of having  
An amazing theatre in the back yard.

K Country Radio 93.7 is an excited local partner. Listen for ads of the event, soon.

Two additional events for Municipal Significance Status:

Tribute to Elton John, Feb 12. 2022  
Tribute to Tragically Hip. April. 2. 2022
